

## Scottish Gallery Rifle and Pistol Championships

The 2018 Scottish Gallery Rifle and Pistol Championship will be held over two weekends at two different venues. The event will commence on the 14-15<sup>th</sup> July at Joint Services Pistol Club's Colmsliehill Range where a series of short events will be held and the Championship will conclude with the 1500 plus additional short events on the 11-12<sup>th</sup> August at Drums Links, home of Aberdeen Full Bore Gun Club. This registered event is open to all shooters.

A friendly "for honours" 1500 match held between Scotland and Visitors is proposed for the weekend at Drums for CF and SB teams. This match will be arranged and discussed further between Team Captains.

Two title awards will be made:

1. **Scottish Gallery Rifle Champion:** awarded to the highest scoring competitor, aggregate score of all 12 centrefire and smallbore rifle events, using a Grand prix style "points for position" award. No separate classification awards will be made.
2. **Scottish Gallery Pistol Champion:** highest aggregate score of all 4 Pistol and Revolver events using a Grand prix style "points for position" award. No separate classification awards will be made.

No differential will be made between Iron and Optic (Open class) LBR or LBP. Centrefire may include any pistol calibre lever action rifle. Lever release rifles are not included due to predicted low entrance, we will look at that again next year.
