

WELSH GALLERY RIFLE CLUB

OPEN CHAMPIONSHIPS 2021

August 6th - 8th

HAVERFORDWEST TARGET SHOOTING CLUB RANGE

The Welsh Championship this year will be held at the Haverfordwest Target Shooting Club Range over the period Friday 6th to Sunday 8th August. Competition shoots are listed on the entry form and will be taking place over that period. Competitors are to ensure that all information requested is provided and that they indicate in the box which shoots they wish to compete in and when. Every effort will be made to squad competitors to the times they have selected. Details giving range location and access details will be provided if required.

In order to maintain social distancing, we will use every other lane on the ranges (*excluding the 25M precision details, where we will be able to maintain screens between each shooter on the firing point*), but will use the revised course of fire for T&P1, 1500 & 1020 introduced by the NRA at the Phoenix which will help to speed up each detail. This will ensure we can accommodate the number of entrants that we have had in previous years.

Competitors not on the internet must provide a stamped addressed envelope for return of squadding, details. If scores are required to be sent after the competition then a second stamped addressed envelope will be required. All competitors will be issued with relevant score cards for that practice, competitors must score adjacent competitors target and sign their score card accordingly. Competitors must provide their own ammunition.

Competitors wishing to camp overnight may do so we simply ask for confirmation of the tent size being used to help ensure adequate space. Shelter during non-shooting periods is limited so please ensure that you bring wet weather equipment with you. Full eye and hearing protection is mandatory for all competitions.

The Aggregate prize in both CF and SB will be the aggregate results from the 25m Precision, T&P1 and MT shoot. The 1500 Aggregate prize will be the aggregate results from the 1500 GRSB and GRCF. In addition to the Individual and Aggregate prizes there will be a pair's competition, The Sullivan Pairs, which will run concurrently with the Individual T&P1. Team will comprise one X or A class competitor and one B Class or unclassified competitor, both of whom **must** be members of the same shooting club. Entry fee will be £4.00, a separate score card will be issued on payment to stats.

The B-class SB shooter with the highest aggregate score in T&P1 and Multi Tgt will be awarded the Dave Meaby Trophy in memory of the late Dave Meaby, WGRC Adjutant who passed in 2018.

We will also be holding a Home Countries Match over the weekend for SB, CF LBP & LBR teams in T&P1 & MT. The match will be shot concurrently, as per the Derby Open, with scores taken from the cards shot over the weekend by nominated team members.

We will also be holding a BBQ on the Saturday evening commencing at 1900hrs. A separate flyer will be emailed out with all relevant details.

Please also note that competitors entering six or more shoots are eligible for 10% reduction in entry fee and those entering ten or more are eligible for a 15% reduction. Entries may be made on the day but will incur a surcharge on the original entry fee.

Juniors aged under 21 are eligible for a 50% reduction in the overall entry fee (less the above 10% and 15% criteria for all other entrants), proof of age may be required. Those shooting their first 1500 at the Welsh Open will be eligible for a 50% reduction in each 1500 entered.

All events will start on time; anyone not arriving in time for the shoot will be squadded in a later detail by the Chief Range Officer, subject to availability.

Covid-19 Planning

- Certificates will be issued in the place of medals this year due to the increased costs and likely reduced numbers of competitors at this year's competition. Certificates will be posted to winner's home addresses, so please ensure they are correct on your entry forms.
- Hand sanitation gel will be provided at each range, range office, toilet and kitchen facility.
- Regular cleaning of surfaces will take place and doors will be propped open to reduce touch points.
- All competitors are encouraged to ensure familiarisation with current government guidance before and during this event. Anyone who is clinically vulnerable should ensure they check on government guidance at the time of this competition and only attend if advisable to do so.
- To ensure social distancing measures are maintained at the range, every other firing point will be blocked.
- The range 'office' will likely be setup outside in an open sided shelter.
- Competitors will be asked to stay on the firing point side of all target boards whilst RO's score the targets.
- Competitors will be called in at the start of each detail and are encouraged to leave promptly
- One-way systems will be implemented where possible and signs marking entry and no-entry points will be erected.
- There will be no prize giving ceremony at the end of this year's competition allowing anyone who has finished shooting to promptly leave the range facility
- No spectating will be allowed on the ranges
- Raffle winners will be drawn post competition and winners notified by post/email.
- The home countries match will be scored using your individual entries
- Squadding will be issued around 10 days before the competition to allow more flexibility as restrictions are confirmed nearer the time
- Social distancing [off range] - Groups no larger than 30 persons **must** be observed
- Updated Covid Guidance will be issued in late July
