

THE DERBY HANDGUN CHALLENGE 2022

SATURDAY 20th & SUNDAY 21st August

This inaugural event will be fun, however as yet we do not have sponsors or many prizes, we have no idea how many will turn up and it will be difficult to estimate what matches shooters will enter. So why are we doing it? At the Derby Open LBPs and LBRs account for a massive proportion of the entries and we thought it about time they had a competition of their own.

Competitors will be asked to do some RO'ing in some events, but we hope this involvement will create a friendly atmosphere.

You will need a holster for all but two of the events and it must cover the trigger.

Many have said they will come even if there are no prizes, but we will do our best to make a prize table. It will be a classified meeting so scores will count towards rankings etc.

We hope that competitors will enter all eight events to try something new and take advantage of the discount but appreciate that not everyone can adopt some of the positions in some matches.

Team Smoothy will be putting a Practical Match on B range that will be an intro/taster and not too demanding requiring 36 rounds and will take approx. 15minutes. (nb. There will only be 12 spaces per day for those wishing to shoot the Aggregate and the practical match) Those choosing single events can pick and mix.

I hope I've sold it to you and not put you off.

If you enter all eight events with one class of handgun you will need to be ready to shoot at 9:00am on Saturday and 8:30am Sunday and it will take all day.

Camping available from Friday Entry form on the reverse.

Firearms & Ammunition: ammunition must be within the limits on the range safety certificate: details available on request. As a classified meeting it will follow rules set out in the GR handbook and national classifications will be used.

Prizes will be presented on Sunday at approx. 1700 hours. (Prizes: awarded to the top scoring competitors for each match subject to the number of entries)

On Fri 19th & Sat 20th, the club armoury may be available for secure overnight storage of firearms subject to prior arrangements with the Match Director.
